BEACH BALL 2022

MEET ME IN TULUM

Beach Ball, a one-of-a-kind experience trading tuxedos and ball gowns for resort wear, is a vital source of funding for Phoenix Children's Hospital. After more than two decades, the tradition continues taking on a new format for 2022. The exclusive early evening affair will offer a "beachside" experience with reserved cabanas and seating. Guests will escape to Tulum while savoring on a surf and turf chef's table selection complimented with heavy hors d'oeuvres before closing the evening to a top performing artist.
