# About The Event

Thank you for deciding to Kick it for the Kids!

The Holidays are just around the corner and for most of us it's a time to gather with family and friends, stuff our faces with traditional holiday treats and enjoy some downtime.

Every year, families face the reality that they have a child admitted at Phoenix Children's and that the holidays will look a little different for them. That's why we decided to kick into gear and try and make the holidays for those families feel a little bit more normal.

By deciding to support this event, you are helping us provide traditional Thanksgiving and Christmas Day meals to every patient and their families at no cost. We have committed to raising \$10,000 for this worthy cause and would love your support. The Chefs at Phoenix Children's are ready to make those holiday favorites.

We look forward to seeing you on the 13th for a day full of laughter, delicious food, and friendly competition while supporting a great cause.
